

# ACKWORTH DISTRICT RIDING CLUB

## RULES ON RIDER FALLS - UPDATE:

### SHOWJUMPING:

Page 55 regarding SJ falls section 1.11.8 paragraph 3 shows that the judge retains the right to eliminate a rider if they feel the rider and/or horse is unfit to continue following first fall (which shows on page 53 under scoring as incurring 8 faults for first fall) If a rider falls, the clock is stopped and re-started once the rider has remounted. A 6 second time penalty will be incurred by stopping the clock. The rider is eliminated in the event of a second fall.

A simple fall (in the opinion of the judge/scorer who will have seen the incident) would incur time penalties but can, if rider wishes, remount and continue

Show jumping & CT – first rider fall = 8 faults.

Second rider fall = elimination

Fall of horse = elimination
